LOUISA, LAWRENCE COUNTY, KENTUCKY, MARCH 17, 1922.

M. F. CONLEY and E. K. SPENCER, Publishers

Speaker Names Five Normal Commissioners

Speaker J. H. Thompson, of the House of Representatives, has announced the following as the men he will appoint to serve on the commission that will locate the new State Normal Schools, one in eastern and the other in western Kentucky:

Ex-Senator Thos. A. Combs of Lexington.
Ex-State Treasurer Sherman Goodpastor, of Owingsville.
Earl Senff, of Mt. Sterling.

W. S. Wallen, Representative in the Legislature from Floyd and Knott.
Judge Edward C. O'Rear, of Frankfort.

The Lieutenant Governor will have the appointment of three members, but these have not yet been announced.

It is said the Attorney General has given an opinion that the appointments can not actually be made until June 15, when the law goes into effect, but the announcement now will relieve the Speaker and the Lieutenant-Governor of a lot of trouble.

It is time for Louisa to get busy on the proposition so she will be ready for action when the time arrives.

Militia May be Called When Murder Cases Are Heard at Jackson

Jackson, Ky., March 13.—Thirty-five murder cases, fifteen of which are concerned with the killing of five men election day last fall at the Clay Hole precinct, are on the docket of the March term of Breathitt Circuit Court which was opened here today.

It is reported that the Governor may be asked to send state militia here during the trials. The five killings resulted after a clash between two factions at the Clay Hole precinct during which the ballot boxes were seized, thrown into troublesome creek and riddled with bullets.

All the men accused in connection with the affair are free under bond, but will travel from their homes to Jackson carefully guarded.

Judge Sam Hurst, it is stated upon reliable authority, will bring from Lee county a personal guard to be present during the trials, while close friends of Judge Hurst, who was a candidate in the election, said he would vacate the bench because of that fact and that the Governor would be asked to provide a special Judge to hear the cases.

Shrine Plans Purchase of Green Hills

Lexington, Ky., March 10.—Green Hills, mansion of the late James Ben All Haggins, of Elmendorf farm, one of the most famous estates in the Blue grass region of Kentucky, will become a national clubhouse for the Shrine Lodge of America, if plans of the Lexington lodge materialize.

Gus Heyman, an official of the Lexington lodge, is in communication with national officers in regard to buying the mansion, which has been tenanted since Mr. Haggins' death nine years ago.

The estate, once one of the show places of Central Kentucky, and one of the first and largest estates established in that section by Eastern financiers has been in process of disintegration since the death of the owner. Green Hill stands on a knoll overlooking thousands of acres of rolling bluegrass pastures. The mansion, with 400 acres of land, is all that is left of the vast estate that once rivaled Baltimore, the Vanderbilt estate, near Asheville, N. C. The house, together with its furnishings, cost \$300,000 when built 20 years ago.

PIKEVILLE MAN IN ASHLAND DEAL

R. C. Miller of Ashland and John Justice of Pikeville have purchased the garage and building of the Rucker Auto Company, 332 East Greenup-av., for a consideration of \$16,000 it was announced today. Immediate possession is given the new owners.

The deal was consummated yesterday evening in the real estate office of John P. Gartin. It is one of the biggest real estate transfers for Greenup avenue in several years.

The new owners, Miller and Justice, will continue to operate a garage at the same location and the upper floor of the brick building will be rented as flats.—Ashland Independent.

KILLED BY TRAIN.

Wesley Perry was killed at Ethel, Logan county, a few days ago. He was assistant mine foreman and was riding a coal train from Store No. 1 to the postoffice which is in store No. 2. In jumping to a platform his foot slipped and he fell beneath the train, the cars passing over his body and killing him instantly. He had been employed there several years. Burial took place at Stollings. He was a native of Wayne county and was a son of Mr. and Mrs. Sol Perry. He was 39 years old.

SUNDAY IN ASHLAND.

Rev. Billy Sunday, who is holding a revival in Charleston, W. Va., was a visitor in Ashland and Huntington Monday and spoke in both places that day to large crowds. He was accompanied by his wife and other members of the evangelistic party.

A NARROW ESCAPE FROM DEATH

Joy Kelley, of Buchanan, was at Riverview hospital for 10 days, but has been discharged. He had a knife wound six inches long in his neck, made by a man named Moore with whom he had a fight. Kelley had a very close call.

D. Brown Going to Russia to Aid Relatives

David Brown, formerly a Louisa merchant, but for many years a prominent business man in Williamson, W. Va., was here this week renewing acquaintances. He is arranging to go to Odessa, in Russia, to rescue members of his family who are on the verge of starvation. He will go via Constantinople. A brother-in-law and his little child have died of starvation recently. Mr. Brown will bring them to the United States if he can get them admitted, which is doubtful because the quota of immigration allowed for the year is probably already absorbed. Failing in this he expects to buy land in Mexico and locate the relatives there. Mr. Brown has never been back to Russia since he crawled out across the line one night many years ago at the risk of being shot by the soldier guards. He is now an American citizen and one of the most loyal and appreciative citizens we have ever seen.

Coal Strike is Now Inevitable

Washington, March 14.—A general strike in the bituminous coal industry on or about April 1 is inevitable, Secretary of Labor Davis and John L. Lewis, president of the United Mine Workers of America, agreed today following a prolonged conference at which they discussed the situation growing out of the controversy between the miners and mine operators.

Mr. Lewis declared later that the operators were forcing the strike "as a bold commercial policy for which the public will pay." The miners' president reiterated today his statement that the unions were prepared to open negotiations looking to the formulation of an agreement to take the place of that which expires next month.

ROAD BOND BILL DIES IN SENATE

The Kentucky Senate killed the House bill providing for a bond issue of fifty millions dollars to complete the State primary road system. The question was to be submitted to the people next November. The Republican members of the Senate and a few Democrats voted the bill down. So nothing more can be done along this line for two years.

The Simmons bill creating a new Highway Commission to take charge of the State road work next January, supplanting the present commission, was not voted by the Governor and therefore stands as a law. It probably will be contested in the courts on two or three points. The new commission is composed of Gen. Wm. Silbert, M. J. Conley, Leslie Samuels and Ben Weile.

Dycus Deserts His Party at Frankfort

Senator W. G. Dycus, elected as a Democrat from Marshall county, deserted his party at Frankfort and voted for whatever Governor Morrow wanted on party bills. He showed signs of going wrong last week when he slipped out of the Senate chamber and hid in a room, pretending to be very sick. A party measure was then up for passage. Every vote was needed. He was dragged into the chamber and voted. Dr. Whiteaker, a Senator, said Dycus had a normal pulse and he could find nothing the matter with him. On Tuesday of this week, with only two days of the session left, he began to vote with the Republicans, thus making it impossible for the Democrats to put their bills thru. The Senate majority is so close that one vote changes the entire result. All possible pressure was brought to bear upon him to return to his party, but he said he would "stick by the Governor." The situation got so uncomfortable for him that he left for home and the loss of his vote blocked all party measures. It was evident what had happened.

The experience was about the same as in the session of 1920, when Burton was "influenced."

MISS POWNALL HERE.

Miss Eva Pownall arrived Tuesday evening from Cincinnati and was the guest of Mrs. E. L. Wellman. She went to Pikeville Wednesday morning where she gave a recital on Wednesday night. She is a talented reader and has just returned from a tour of the South as a member of a lyceum course. After her return from Pikeville she will fill a week's engagement in Cincinnati. She is a school friend of Mrs. Wellman.

MISS MARY ROBERTS TRUSTEE OF JURY FUND

The item in a former issue of the NEWS in regard to the new trustee of the jury fund should have read Miss Mary Roberts instead of Mrs. Mary Roberts. It was Miss Roberts the stenographer who was appointed.

CARD OF THANKS.

LOUISA WOMAN DIES AT AGE 88

Survived by Husband 90 Years old. Was Married 67 Years.

Mrs. Mildred Hewlett Blankenship peacefully passed away at her home in Louisa at 3 o'clock on Wednesday, March 15, after an illness of about two weeks. She was the wife of Capt. Wm. Blankenship to whom she was married 67 years ago. Most of this time has been spent in or near Louisa, excepting the first two years which was spent in Central Kentucky. She was 87 years, 9 months and 17 days old. Her husband is nearly 90 years of age. They were the oldest married couple living in Louisa and we know of none older in Lawrence county.

Mrs. Blankenship was a good woman. She had for years been a member of the Christian church and had lived a faithful and consistent christian life.

She is survived by her husband and the following sons and daughters: Mose Blankenship of Catlettsburg; Tom of Beaver; D. W. H. B. P. L. and James of Louisa, and Mrs. Emma Saulbury and Mrs. Rachel Evans of Oklahoma. Three sons and a daughter passed away some time ago.

She was the oldest sister of Rev. H. B. Hewlett of this place. About two years ago Mr. and Mrs. Blankenship returned from a visit to relatives in Oklahoma, making the journey alone which was very unusual for people of their ages. Up to two weeks ago Mrs. Blankenship had been able to be up and about the house.

Funeral services were held on Thursday afternoon at the residence, conducted by Rev. T. H. Matherly, pastor of the Christian church at this place. Interment followed in Pine Hill cemetery.

Union Gas & Oil Co. Wins Two Cases

The Court of Appeals has reversed the decision of the Johnson Circuit Court in the case of the Amanda Kelley against the Union Gas & Oil Company. The suit was brought to cancel a lease and Kelley won in the lower court. The higher court gave a decision in favor of the Union.

The case of Parish Sparks and his father against the Union Oil Company, tried at the recent term of the Lawrence Circuit Court has been decided in favor of the Union. Judge Woods took the case under advisement and gave his decision after the term of court closed. This suit involved a valuable lease in the upper Blaine field in Lawrence county.

Louisa Girl Now a New York Artist

The cover page of the April number of the Designer is a drawing by Mrs. Robert Lankes of New York City. Mrs. Lankes was formerly Miss Imogene Porter and was a resident of Louisa for some years. She is a niece of Miss Maggie Hatcher.

The cover designs for a magazine of as high class as the Designer are furnished by well known artists, which fact speaks well for her work. The paper has a wide circulation and is one of the big fashion magazines of the United States.

The picture is that of a girl in a purple coat. Her Louisa friends predict that Mrs. Lankes' work along this line will be crowned with further success. Big Sandy against the world.

BOY FATALLY HURT BY TRAIN

Elden Mullins, age 15, had both legs cut off by an N. & W. train last Sunday at Kermitt, W. Va., and was brought to the hospital at Louisa at 6:15 p. m. He died at 10 o'clock that night.

The boy was hopping a freight train when his feet slipped and he fell on the rail. The loss of blood and the shock resulted in his death.

This is the kind of an accident that happens very often to boys, but it seems to have no effect on the other boys. They continue to take the chance.

OHIO AND KENTUCKY LINKED BY NEW BRIDGE

Spectators Cheer As Two States Are Joined; Open April 25.

The Ashland Independent says:—Kentucky and Ohio today are linked together. The heretofore inseparable barrier of the Ohio river has been overcome.

A steel beam linking the two states by means of the new bridge between Russell and Ironton was riveted into place yesterday amid cheers of a crowd of spectators. This virtually assures the completion of the bridge for traffic at the appointed time, April 25.

When the waterworks siren sounded announcing the conjunction of the two sides of the bridge thousands of people flocked to the river grades to see the dramatic completion of the link that made the Atlantic-Pacific highway a reality of the Ohio valley; and which promises to be the greatest factor in the development of the tri-state region. The bridge at its completion on April 25 will have been completed in less than a year, with one million dollars raised by Ironton citizens and every penny of stock subscribed.

The chamber of commerce has arranged a great opening day program for the bridge on April 25. Governors Morrow, of Kentucky; Davis, of Ohio, their staffs, Senators Stanley and Ernst of Kentucky, Willis and Pomerene of Ohio; Secretary of War Weeks and President Harding will have a place on the program. It will be one of the biggest days in the history of this section of the Ohio valley and all officials of surrounding municipalities will be among the list of guests.

Appeals Court Rules Craft is Hazard Mayor

Frankfort, Ky., March 14.—J. W. Craft, who was elected Mayor of Hazard last November, is entitled to the office, the Court of Appeals held today, reversing the Perry Circuit Court in a contest between Mr. Craft and Floyd H. Baker, who was appointed by the City Council.

The Constitution allows Fourth, Fifth and Sixth Class cities to elect their Mayors by either popular vote or by appointment of the Council, but under the statute in the latter case the Council must provide by ordinance sixty days before the election for its own appointment of the Mayor. This was not done.

RECITAL THIS EVENING.

Miss Eva Pownall of Cincinnati, will give a recital at Garden theater Thursday night of this week, after the picture is shown. She is a reader of considerable ability, and the program will be made up of a number of humorous selections. Only five cents will be added to the regular admission price and this will go to the M. E. Church.

SURPRISE WEDDING OF LOUISA COUPLE

Marriage license was issued February 11, 1922, to Ernest F. Wellman, 22, and Nova E. Williams, 19, of Louisa. They were married at the home of her father, Cambridge Williams, Wednesday evening, March 8, by H. W. Williams. The bride was for quite a while employed in the County Clerk's office at this place. Mr. Wellman is the son of Mr. and Mrs. C. B. Wellman and is connected with the Wellman garage in Louisa. They are popular young people and have the best wishes of many friends for their future happiness.

ORGANIZE SUNDAY SCHOOLS.

Mr. J. K. Fuller, president, and Miss Elizabeth Hatten, secretary of the Fallsburg and Bear creek Sunday school district, desire that all Sunday schools that had suspended during the winter months be re-organized at once. They would like for this to be done by the last Sunday in March, if possible. Go-To-Sunday-School Day will be May 7 and they hope to have all the schools at work before that time.

LOUISA TO SANDY HOOK ROAD BILL

Representative Moore Gets it Through the Legislature Safely.

R. C. Moore, our Representative in the House at Frankfort, succeeded in getting added to the State primary system a road from Louisa to Sandy Hook, thus assuring state aid on this important road. Lawrence and Elliott counties are in the same legislative and judicial districts and their interests are closely identified. Not only this, but the proposed road is the most important that could be provided for Lawrence county, and will give a much needed outlet to Elliott county.

This is quite a victory for Mr. Moore and a fine piece of work.

News of Eastern Kentucky Oil Fields

In Pike county the Lorraine Oil & Gas Company completed a small well about eight miles south of Pikeville, while drilling for gas. This company recently completed three other wells in that section of Pike.

In Floyd county the Eastern Carbon Company, while drilling for gas, got a gushing well which flowed fifty feet over the derrick when the sand was entered, according to reports from that section. The gas flow was produced at the rate of fifty barrels hourly. This well is a few miles east of the Boscoe pool and is in new territory. Oil was found in the Bradley sand.

West of the Boscoe pool, on Cold Water branch of Salt Lick Creek, Brode and Company has a 10-barrel producer in an advance test, production coming from the Maxton sand.

Carbon Plant Enlarged. The Liberty Carbon Company has doubled the capacity of its plant and is now using nearly four million feet of gas daily, producing about 7,000 pounds of carbon black daily for newspaper and rubber concerns.

A number of advance rigs at work in the Floyd county field, several of these being east of the established Beaver creek fields. Geologists who have been over this section pronounce conditions similar to those found in the Cabin creek field of West Virginia, where big wells of long life are the rule. In the southern section of Floyd county Pittsburgh interests expect to do extensive drilling this summer and hope to establish a Berea sand pool. It is reported that the Midas Oil & Gas Company, which has drilled extensively in that section of Floyd has been offered \$1,000,000 for its holdings.

At Paintsville the Big Sandy Oil & Refining Company is establishing a refining plant, which will take oil from the Berea sand pool of Johnson county. The Berea Pipe Line Company has finished an extension from Paintsville through the Johnson county deep sand area.

"Wildcat" Well in Wolfe. The most noteworthy of late strikes in the Upper Kentucky fields was a "wildcat" test in Wolfe county, several miles beyond the defined area, and coming in at forty barrels daily.

SUDDEN DEATH OF MRS. MILT CARTER

Mrs. Milt Carter died in a hospital at Lexington Tuesday evening of this week, as the result of a hemorrhage from the throat. She had been ill for several days with a bad case of tonsillitis, but her death was unexpected. She lived only a few minutes after the hemorrhage started.

A telephone message to Louisa relatives brought the sad news soon after the death occurred. Dan Carter and cousin Miss Lou Chaffin, nephew and niece of Mrs. Carter, left on the first train for Lexington to bring the body to the old home place at Zella, this county, for burial. They arrived Wednesday night in Ashland.

Funeral services will be conducted at Buchanan chapel on Friday by Rev. H. B. Hewlett of Louisa. The interment will take place in the family burial ground.

Mrs. Carter had been living in Lexington for more than a year. Her husband is a traveling salesman and was in the country near Jackson, Ky., when the death took place. Deceased was Miss Alta Lakin before her marriage and was a sister of Mrs. G. J. Carter, of Louisa. Her age was 33 years. She leaves no children.

IN MEMORY

The death angel visited the home of W. P. Caldwell and took his beloved wife, Hester. She had lived a good christian life. She only lived a week after she took sick. She has gone to meet her dear father and mother that had gone on before. She leaves a husband and three children and a step-daughter of the age of 14 years to be a mother for the little ones. She said she saw Jesus and said she was going to meet her dear ones. Her last word was Jesus.

Mrs. Caldwell was a good neighbor and everybody loved her who knew her. We often said to her husband and step-daughter not to worry, but just prepare to meet Hester in Heaven. Weep not, dear loved ones, but just prepare to meet Mrs. Caldwell in a better world. She is just over on the shining throne of God waiting for her loved ones. She left this world with a sweet smile.

IN MEMORY

(Too Late For Last Week)

Mrs. Lon Compton's death did not come unexpectedly. She had been sick quite a while with that dreadful disease tuberculosis. She will be missed.

She was a good woman and loved by all. We have spent some happy hours together. The writer trusts in the future and that before long can visit her grave and place the flowers there.

When we were spending our happy hours away everything was bright to us. We knew nothing about sickness or trouble.

Mrs. Compton is done with the trials of this world and is sweetly resting.

The family has our sympathy in their bereavement. A FRIEND.

CARDUI HELPED

Alabama Lady Was Sick For Three Years, Suffering Pain, Nervous and Depressed—Read Her Own Story of Recovery.

Paint Rock, Ala.—Mrs. C. M. Stegall, of near here, recently related the following interesting account of her recovery: "I was in a weakened condition. I was sick three years in bed, suffering a great deal of pain, weak, nervous, depressed. I was so weak I couldn't walk across the floor; just had to lay and my little ones do the work. I was almost dead. I tried every thing I heard of, and a number of doctors. Still I didn't get any relief. I couldn't eat, and slept poorly. I believe if I hadn't heard of and taken Cardui I would have died. I bought six bottles, after a neighbor told me what it did for her.

"I began to eat and sleep, began to gain my strength and am now well and strong. I haven't had any trouble since. I am sure can testify to the good that Cardui did me. I don't think there is a better tonic made and I believe it saved my life."

For over 40 years, thousands of women have used Cardui successfully, in the treatment of many womanly ailments.

If you suffer as these women did, take Cardui. It may help you, too. At all druggists. E 85

Friday, March 17, 1922.

A picture of Col. Ambassador George Harvey in knee breeches has been sent from London to American newspapers. Makes George look like he isn't "all there." We had that impression of him before the picture appeared.

In the last hours of the Legislature, which adjourned early Thursday morning, the general registration bill was passed over the Governor's veto. Dycus came back and voted with the Democrats. This requires all voters in the State to register next July. No registration in after years will be required except those moving, or new citizens coming in.

Hon. Henry R. Lawrence, by a hard fight, got a bill through the Legislature providing for a survey commission to report in 1924 on how Kentucky may be best reorganized as to its offices. This would involve an investigation into all branches of government in the State. For instance, the great waste in connection with circuit courts would be considered. Some districts have a total of only 74 to 78 days of court in a year. There are other sources of waste almost or quite as serious. Nothing has been done toward abolishing useless offices and nothing will be done until a general survey by high class men is made and the facts put into the hands of the people. Then we may at least faintly hope for the election of a Legislature that will do something to remedy conditions.

CHURCH ANNOUNCEMENTS

M. E. CHURCH, SOUTH

Missionary Meeting.
Mrs. A. Snyder was hostess to the members of the Woman's Missionary Society for the month of February. A large number responded to roll call. An interesting program was rendered and a delightful half hour was spent while partaking of the delicious salad course prepared so temptingly by the ever hospitable hostess. Our society is growing in interest and membership and we extend the invitation to all members of church to join this "band" to uplift and be uplifted. MRS. NORA SULLIVAN, Superintendent Publicity.

Easter Bazar.

The Easter bazar will be held by the women of the M. E. Church South on Friday, April 14, in the basement of the church.

The Daily Christian Advocate.

The General Conference of the M. E. Church, South, will meet in quadrennial session in Hot Springs, Ark., commencing Wednesday, May 2. This will be the nineteenth session of that great body since the organization of the Church, South, in 1844. It will be composed of about four hundred delegates, and for the first time women delegates will take part in its deliberations. Since the last General Conference in Atlanta, Ga., in 1918, four bishops have died, and the number to be elected and the choice for the men to fill that high office will be determined by this General Conference. There will be many questions of vital interest brought before the Conference, and that readers may get at first hand the proceedings of the General Conference, the Publishing Agent, Smith & Lamar, will print at Hot Springs, Ark., a daily edition of the Christian Advocate containing verbatim reports of the debates, reports of committees, and other matters brought before the Conference. Those who desire to keep informed as to its proceedings should subscribe for the Daily Christian Advocate, the price of which will be \$1.25 for the session. Send that amount with an order for the Daily Advocate to Smith & Lamar, Nashville, Tenn., as the mailing list, which is now open will be made up there to within a few days of the Conference. Dr. Charles D. Bulla, who edited the paper in Oklahoma City, Okla., in 1914, and in Atlanta, Ga., in 1918, will again be the Editor. He will have his former able associate in the preceding Conference, Mr. J. P. Cherry, to assist him, and will have the very best stenographers to report the proceedings. The meeting promises to be a most interesting one, and not only Methodist people, but the public in general will be interested in the deliberations.

RESOLUTIONS OF RESPECT.

Whereas on February 13, 1922, our heavenly Father, the Supreme Architect of the universe saw fit to call one of our oldest and best known brothers, Martin H. Johns, from our earthly lodge to that celestial lodge on high. Therefore Be It Resolved, That in his death the Masonic order has lost a useful member, the community an honest, upright citizen and the bereaved family a kind and devoted father and husband. The lodge extends to the sad widow and children its deep sympathy in their deep distress, and commends them to God who alone can give them consolation.

Resolved, That we spread these resolutions on our records and a copy be sent to the family, also to the Big Sandy News and Lawrence County Recorder for publication.

NEWS FLY.

MISSIONARY MRRDERED.

The Rev. Dr. Albert L. Shelton's widow will carry on the missionary work in Thibet begun by the former University of Kentucky man, who was murdered by Thibetan brigands February 17.

This announcement was made by Dr. E. E. Cory, New York representative of the United Christian Missionary Society.

Dr. Shelton, a friend of Delai Lama, ruler of Thibet, escaped the hands of Chinese bandits a year ago only to die a martyr's death at the hands of the brigands. He was slain near Batanga, according to official advices.

Dr. Shelton was the first missionary to obtain permission for a comprehensive missionary expedition in Thibetan territory. When he, his wife and two children were captured a year ago, the whole power of the Chinese Government was necessary to rescue him, after he had been held a captive for several months.—Courier-Journal.

REV. T. R. GILLISPIE.

Rev. T. R. Gillispie, husband of Sallie Gillispie, who died Thursday, March 9 at 12 o'clock had been an invalid for the past six years. His last illness was due to grip and fever which turned to dropsy, and pneumonia followed.

He just gave all over to God and asked Him to take him. Said he wanted to go home to live with Jesus forever. He had been a worker for 25 years. His words and preaching will stand all through this life and in the life to come. The people never will forget "Uncle Russ" advice to them. After a few words he would always ask about their souls. He told them he was ready and waiting.

He was born in Pike county, lived in Pike, Boyd and in West Virginia. Moved from Pike, half a mile up Ratliffs, just three weeks ago, came down here to Louisa and died at his home on Water street.

His first wife was Caroline Smith. Five children were born to their union—Joie Bell, deceased, in Maryland. The second was James Gillispie, deceased, in Boyd county. B. C. Gillispie of Charleston, W. Va., a minister; Richard Gillispie of Ashland, Ky., and an infant deceased, Lemonia, in West Virginia.

He was married to Sallie Adams in 1907. To this union was born T. R. Gillispie, Jr., and an infant, Mary Elizabeth Gillispie, who died in 1912.

He has three children living—B. C. Gillispie, Richard Gillispie and T. R. Gillispie, Jr. They were all present at his burial.

His wife was faithful at his bedside to the end and oh how lonely she is. She thanks the people of Louisa for their kindness shown the family, and also those in Pike county. The family deeply appreciate the expressions of sympathy and the beautiful flowers.

IN MEMORY

Death has again invaded our ranks and taken from our midst Hester Caldwell.

'Twas hard to give her up but she was called home. She died Thursday, February 23, 1922. She was converted several years ago and lived her profession.

No truer mother and wife, no better neighbor and friend was ever called nor could any one be missed from a home or community more than she.

Oh, the weeping eyes of the friends and relatives that witnessed her death and heard her impressive words.

She called her children, husband and brothers to her bedside, held them in her arms. Every expression of pain seemed to leave her face and with a smile that none but angels could wear she praised God and said, "I see Jesus, blessed Jesus." Then with Him sweetly and silently passed on.

All was done for her that medical skill and loving hands could do, but all of no avail, the Lord knew best.

She was about 56 years of age and leaves a husband, four children and a host of relatives and friends to mourn her loss.

Let us not weep as do those who have no hope, only prepare and so live that when this short probation is all to close that we can go where the weary are at rest and live on and on with all the blood-washed off all ages.

Let the words of David encourage your broken hearts: "The Lord is my Shepherd." Truly He was her Shepherd. Readers will you not let him be yours?

The bereaved family has our heartfelt sympathy.

She was laid to rest on the home place, services conducted by M. V. Berry and the writer.

LIFE SENTENCE FOR VERNATTER

Arthur Vernatter, 19-year-old farm boy who pleaded guilty to a charge of first degree murder in connection with the killing on January 22, at Salt Rock of "Uncle Galley" Bias, respected on resident, was sentenced to life imprisonment in the West Virginia state penitentiary by Judge D. E. Matthews at Huntington, W. Va.

Asked if he had anything to say that sentence should not be pronounced on him, Vernatter shook his head but said nothing.

Judge Matthews then pronounced the sentence of life imprisonment. He hung his head for a minute then, still without speaking, raised his head and walked without faltering out of the room.

Vernatter confessed his participation in the brutal murder shortly after he was arrested as a suspect. In his confession he implicated J. E. Vasa, telegraph operator, but the latter was exonerated of the crime Saturday by a jury in common pleas court after bargaining out of the jury box but eighteen minutes.—Herald-Dispatch.

**OLDER BOYS CONFERENCE
HELD IN ASHLAND**

Ashland is again host to over two hundred boys of Eastern Kentucky. Large delegations are registered from Olive Hill, Louisa, Prestonsburg, Greenup and Vanceburg for the third annual Older Boys Conference of Eastern Kentucky at the Christian church March 17, 18 and 19.

Last year the Ashland district conference was the largest of the sort ever held in this state. Indications are that this year's conference will be more successful than the previous one with practically every high school in Eastern Kentucky represented.

One of the features of the conference is the opening banquet on Friday, a "pep session," where each high school tries to surpass the others in songs and yells. I. B. Rhodes, state secretary of the Ohio Young Men's

Christian Association will make the principal address on "Your Money or Your Life."

John E. Buckingham will preside. Joe Murphy of the famous Centre College football team is the principal attraction on Saturday afternoon, talking to the boys "Third down and 10 yards to go."

Saturday morning's session will be devoted to the subject of vocational guidance. Such local men as J. W. Bradner, E. H. Gartrell, and Rev. H. V. Carson will address the boys on choosing their life work.

Dr. Thornton Whaling, Dean of the Presbyterian Theological Seminary of Louisville, and a lecturer of the South will address the closing session on Sunday evening.

Jim E. Ferguson returned Tuesday evening from Pensacola, Fla., where he had been the past few weeks.

HOME CIRCLE COLUMN

A COLUMN DEDICATED TO TIRED MOTHERS AS THEY JOIN THE HOME CIRCLE AT EVENING TIDE.

At The Gate.

There is a knocking just outside.
But you do not heed its sound.
It is lost in the confusion
Of which the streets abound.
But if you opened wide the door
Before it was too late,
You would find there was standing
An angel at the gate!

And though he keeps on knocking,
You open not the door,
And let him stand, for he has stood
There oft in years before.
And sometimes with a frowning
brow
You turn away in hate,
But if you raised the latch you'll
find
An angel at the gate!

With light a' shining on his brow,
With gifts into each hand,
With voice so gentle it would soothe
The sorrows of the land.
But you will not heed his knock,
His ways seem not your fate;
But oh! if you would let him in,
This angel at the gate.

Now let me tell to you the name
Of him that's standing nigh
And keeps on gently knocking
As the years are passing by.
His name is love—true, warm,
sweet love,
And he does stand and wait
For you to take within your heart
This angel at the gate!
—Mary M. LaFarge.

The real is seldom as beautiful or enticing as the imagined. We picture a foreign country—Italy or Southern France, for instance—and we combine the bluest skies we have ever seen with the most exhilarating climate, the most picturesque and interesting towns, the most biquant people, together with other characteristics which we have heard connected with the region, all in exaggerated form. When we come to see the reality we are disappointed because, not only have we failed to take into consideration the disagreeable elements, which are always mingled to a certain degree with the more agreeable in all parts of the earth, but we have also, in our minds enlarged upon the virtues to such an extent that no actuality could approach them.

It is for this reason, that plans and dreams preceding an occasion, often surpass in pleasure the occasion itself. So, if we have not the money to taste all the luxuries of life or to travel to foreign ports, we can at least plan on having the opportunity some day, and out of our plans will, perhaps, get more pleasure than our more opulent neighbor derives from experiencing the actuality. We can read and dream of moonlit nights under the willow trees of the South Sea Islands, with the crooning of native melodies, accompanied by soft lapping of waves on pebbly beaches, lulling us into drowsiness. If we were to visit the South Sea Islands, would we experience the same sensations, or would we complain of the stupidity of the natives and the difficulty of securing tourist accommodations? At any rate the pleasure we derive from our dreams is not marred by any of the inconveniences of travel. So, when the wind howls against the window panes, fortunate indeed is the person who has the power to transport his spirit to the balmy shores of the South Sea Islands.

There is glory in the meanest job if you only look at it in the right light. The story is told of three men who were breaking up stones for the building of a cathedral. A passerby approached the first man and asked him what he was doing. "Can't you see?" was the answer. "I'm breaking stones." The second man, upon being asked the same question replied, "I'm earning six dollars a day."

The enquirer then approached the third man and put the question to him, receiving the reply, "I am building a cathedral."

The same thing holds throughout life and makes it a drab or as gay affair as the case may be. It is our own attitude that counts—whether you are looking for the good things or the bad, which reminds one of two lines in a poem by Robert Louis Stevenson.

"Two men looked out from prison bars,
The one saw mud and the other
saw stars."

A TRUE FRIEND.

A book I find a constant friend
That manners does not lack.
For though we chance to disagree
It never answers back.
It does not rant and saw the air
Or lay the law down flat,
But quietly states the case
And lets it go at that.

Neglected though it lies around
For months or maybe years,
The same old friend when opened up
It instantly appears.
It offers me the best advice
That sages ever penned.
It shows me how to live my life
And how my ways to mend.
—Duncan Smith.

Following is a copy of a letter from J. M. Feltner, Club Agent, to Raymond McClure of Gallup, Lawrence county, Kentucky:

London, Ky., March 8, 1922.
Mr. Raymond McClure,
Gallup, Kentucky.

Dear Raymond:—In the enrollment campaign for Junior Club members November, 1921, you came out ahead with the best record of any club member in the State. In 1910 there were only 65 club members in the State of Kentucky and a number of counties will not have as many this year as you got in the campaign. Your report shows that you turned in to the County Agent Mr. G. C. Baker at Louisa, Ky., 158 enrollment cards signed by club members and parents. I have learned many interesting things about your work relative to this enrollment. I consider you have done a big piece of work, a man's size job and I congratulate you on being first among all the club members of the State. I am sure you have learned at least one good lesson and that is, "a fellow can do things when he goes at it in the right spirit." I read a statement the other day that the father of success is Work. I believe from your record that you have met the old man Work. I hope your record in the future in whatever you attempt to do may be at the top. I am mailing you under separate cover a present as a token of my appreciation of your work.

Yours for better boys and girls,
J. M. FELTNER, Club Agent.

Labe Wallace is planning to enlarge his strawberry patch and has ordered 5000 plants to set this spring. Mr. Wallace has also applied the dormant spray to his fruit trees this spring.

A pruning demonstration was given at M. M. Chambers' this week. He also has ordered lime sulphur for applying the dormant spray.

A spraying demonstration was given at Fred Picklesimer's applying the dormant spray of lime sulphur.

R. D. Hinkle of Richardson is applying the dormant spray this year. Mr. Hinkle is also arranging in co-operation with his son, Junior, to sow a few acres to rape and oats for hog pasture this summer. This is a splendid plan to reduce the cost of producing hogs and also to keep them growing through summer.

I have supplied the following men with a sample of Burley tobacco seed which is root rot resistant and who have agreed to report the results as well as its yield this fall: Geo. Shivel, Gallup, J. B. A WOMAN'S BACK

THE ADVICE OF THIS LOUISA WOMAN IS OF CERTAIN VALUE.

Many a woman's back has many aches and pains.

Off times 'tis the kidneys' fault.

That's why Doan's Kidney Pills are so effective.

Many Louisa women know this. Read what one has to say about it:

"Mrs. M. J. Dunagan, Lock Ave., says: 'It's been about two years since I treated with Doan's Kidney Pills and I was so well pleased with the results that I can recommend them to others. At that time my back ached and there was a constant weakness through the center of my back. I had a dizzy feeling come over me every now and then, too. My kidneys weren't acting regularly and, in many ways, showed signs of disorder. I got to hear about Doan's Kidney Pills and used two boxes. They rid me of my troubles entirely.'"

Price 60c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Dunagan had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

MARTHA

There is a great deal of sickness in our community.

Uncle Harve Lester is very sick due to infirmities of old age.

D. V. Skaggs, who has been sick quite awhile is slowly improving.

The G. T. C. met at C. F. Sparks' and had a very enjoyable time.

The State Board of Equalization must think Lawrence county a gold mine.

It is no wonder that people are leaving the farms and moving to town.

It is about all the farmer can do to pay taxes and keep the wolf from the door, besides educating his children and laying up something for a rainy day.

If a farmer cuts the briars and bushes off his fields or puts paint on his house he is due a raise. The man that does not try to make any improvements is the one that should be raised.

Otherwise it is putting a premium on laziness.

Our roads are in a horrible condition, due principally to the excessive hauling done by the oil companies.

It seems that a great many people think every one in this part of the county is getting rich. It is true that a few are getting a very nice thing from oil whilst taking everything into consideration the country in general is not benefited.

The larger portion of oil produced is in Johnson county.

I am not a pessimist but I would like for the people to know the truth. This oil field is being exaggerated.

There are no 200 barrel wells in the field. I am reliably informed that it has been magnified about 10 times.

Whilst the oil business has brought quite a little bit of money into our section, money is not all there is to life.

The morals of our country are destroyed, our roads torn up, wages beyond the reach of the farmer and bootleggers and moonshine galore.

HIGH SCHOOL NOTES

WINTER IS COMING.
The leaves have turned,
The sad hearts yearn;
The days are too short is youth's cry
But summer goes marching by.

Summer is gasping,
The days are passing;
Winter is here!
Is the cry far and near.

The leaves have fallen,
Winter has called them.
And "Old Jack Frost"
Has covered the moss.

The birds have gone South
There is no song out.
They could not bring cheer,
For it was too cold here.

THE LOUISA HIGH SCHOOL.
The Louisa High School
Was established in twenty-one
And this is the date
When the fun was begun.

When you come to school here
You must study your books,
You can't go through
On your good looks.

When you come to the class tardy
This works on your grades hearty,
But with a written excuse
Your grades receive no abuse.

The teachers are like
Fairies so sweet,
Each morning at the door
You, they will greet.

When the school term is ended
And the examinations are done
Each one receives his credits
Who has labored and won

This school has been tested
And it will stand,
If any one should ask you
Tell them it is grand.

ALVES SEE.

second year English student.)

WASTED OPPORTUNITIES.

Each hour of the day is carrying
man nearer the end of life, and the
time that is wasted can never be re-
called. Each day is filled with great
opportunities that should be grasped,
and if they are not they are wasted
and nothing is accomplished. In school
if we fail to do the right thing the
time is coming when we will regret
having wasted such wonderful op-
portunities. Each day should be be-
gun with a resolution to consider these
opportunities and take advantage of
them. In after years you'll say, "Oh!
if I had just taken advantage of this
or that when I had an opportunity
how much I would appreciate it." In
business life if great deals are let slip
by the man has wasted an opportu-
nity that would probably mean much
to him financially.

The time that we have is only lent
to us and if we fail to use this time
properly we will be a complete fail-
ure, and have nothing to show for our
life's work. Each day brings new op-
portunities and do not let that day
end without having taken advantage
of them or else they will be wasted
opportunities.

It has been well said that opportu-
nity only knocks at our door once
in a life time and if we are sleeping
when that time comes what will our
lives be? Always be watching and
heed to the knocking.

IN MEMORY

Death visited the home of Mr. and
Mrs. Allen Cornutte and took from
them his dear mother, aunt Sarah. She
departed this life February 1, 1922.
She lived to be about 80 years old. She
had been sick about three months and
bore her illness patiently. Her last
serious illness was about a week. She
put her trust all in God. A few days
before she died some of her friends
were talking to her about summer and
that she would get well and sit round
get to go to church and good meet-
ings. Then she said, "I will be in a
meeting in the summer that will be
Heaven."

We can proudly say aunt Sarah is
at rest.

All was done for her that loving
hands could do, but God knew best.

Children, of course you have a great
desire to make Heaven your home
while father, mother and hosts of
friends are there.

She was laid to rest in the family
graveyard beside her husband, uncle
Jim, at Dry Ridge.

In life we loved her dearly.

In death we do the same.

The memory is as dear today
As in the hour she passed away.

A FRIEND.

IN MEMORY OF MRS. BERTHA THOMPSON WEBB

Relentless death among us comes,
And bitter grief imparts.
It took our dear Bertha from our
home, but not from our hearts.

But to our Father's home above,
Not from our memory or from our
love.

Free from sorrow and from pain,
Our loss, His eternal gain.

We saw her suffer and heard her
sighs with aching hearts and
weeping eyes.

We saw her sinking day by day.
But now she calmly sleeps at last.
All pain, all aches, all suffering past.

The flowers we place upon her grave
may wither and decay
But the love we bore for her will
never fade away.

Forgotten to the world by some she
may be
But dear to our hearts she ever
shall be.

Mr. Sagraves Filled Pulpit.

On account of slight illness of Rev. A. P. Keyser, pastor of the M. E. Church, South, which prevented him from filling his regular engagements Sunday, John M. Sagraves, a member of the church, preached both the morning and evening sermons. While Mr. Sagraves is in fact, an ordained minister, his activities have heretofore been confined to work in the church as a lay member. His appearance in the role of pastor came as a surprise to some of the members, who were not aware of the fact that he was to substitute for Rev. Mr. Keyser. However, his efforts were rewarded in the unanimous verdict of his audiences that he preached two able and eloquent sermons. Mr. Sagraves is much interested in Y. M. C. A. work as well as the church, and during the war he spent two years in France as a secretary of this organization.

On account of slight illness of Rev. A. P. Keyser, pastor of the M. E. Church, South, which prevented him from filling his regular engagements Sunday, John M. Sagraves, a member of the church, preached both the morning and evening sermons. While Mr. Sagraves is in fact, an ordained minister, his activities have heretofore been confined to work in the church as a lay member. His appearance in the role of pastor came as a surprise to some of the members, who were not aware of the fact that he was to substitute for Rev. Mr. Keyser. However, his efforts were rewarded in the unanimous verdict of his audiences that he preached two able and eloquent sermons. Mr. Sagraves is much interested in Y. M. C.
